Pack of 10 greenfees 18 holes	250 €
Buggy 9 holes	15 €
Buggy 18 holes	15 €

IMPORTANT: reservations to play 9 holes cannot be changed to 18 holes on the same day to play. The game will be strictly adjusted to the reservation made before the access to the course.

PAYMENT will be made at the starter before entering the field and preferably by credit card with contactless system.

ENTERING THE GAME: The games can be played by up to 4 people who must keep their social distance during the course of the game. Avoid physical greeting, shaking hands, etc. The players must go from the parking lot to the Starter to make the payment with a maximum of 10 minutes before their starting time. The indications that will be seen in signs and informative posters that have been arranged in the access and inside the facilities must be respected. The player must only go to the field when he has previously made a reservation and it has been confirmed by e-mail or telephone.

BUGGIES AND TROLLEYS: The use of buggies is permitted on an individual basis and sharing is allowed if the occupants belong to the same family unit or otherwise if used wearing a mask. The use of manual and electric trolleys is also allowed. Both buggies and trolleys will be disinfected before and after use by the field staff.

DRESSING ROOMS ARE CLOSED. The use of dressing rooms IS NOT available and players must come equipped for the game from home. Only the toilets located next to the starter will remain open, and access to them is limited to one person. Our field staff will disinfect the toilets regularly.

DURING THE GAME

STARTERS: The player will appear at the starting tee when the starter indicates he can do so. He will not shake hands with the other players on his tee and will always maintain social distance between them.

DISTANCE: Players must keep a distance of at least 2 meters between themselves during the whole course, and may not, under any circumstances, coincide at the start of the tees, on the green or elsewhere on the course.

NO TOUCHING: There will be no exchange of sports equipment between players and they will avoid touching any item or equipment other than their own (ropes, stakes, balls and tees included). It is totally forbidden to use wash basins, wastebaskets, benches etc. and therefore they will be unusable for the service of players.

FLAGS. The flags on the holes must always remain in place, they cannot be removed or touched. A system has been installed that allows you, with the help of your golf club, to retrieve the ball from the cup without touching the flag.

BUNKERS. The bunkers will be repaired as much as possible for the player without the use of rakes.

DURING GAME: play keeping the rhythm and watching the distance with the team in front and behind. It is not allowed to give way to another team and if your game is slow, you must pick up your ball to avoid waiting or delay. Make sure you keep an eye on the team in front of you and leave the green as soon as possible.

FINISHING THE GAME

SAYING GOODBYE: Players should avoid all physical contact at the end of the game and go directly from the last hole to their vehicle in the Parking lot.

CLEANING: It is not allowed to clean any sports equipment: sticks, shoes, bags, balls, trolleys, etc.

EXITING THE FACILITIES: Players must respect the indications that will be seen on signs and informative posters that have been set up to indicate the way out of the facilities.
